Donald R. Cleveland
Director of Emergency Medical Service

Dear Mr. Cleveland:

In response to your request that the members of the Emergency Medical Service Review Board assist you in answering the questionnaire from the Common Council, we would like to reply in the following manner. First, in an earlier memorandum issued on August 13, 1976, you asked for our input on goals and problems of the department and we replied. The contents of these replies answered many of these same questions. Secondly, we feel this questionnaire asks for information which should reflect the goals and objectives of the administrator of the organization and as such, be answered by him. It is our feeling that an administrator appointed in consideration of his medical and administrative experiences would have formed definite goals and objectives for his organization.

It is apparent to us that this organization lacks the backbone in its leadership to provide adequate direction to meet community needs. We believe, for example, that the failure of planning in the areas of advance life support training and implementation demonstrates the type of narrow mindlessness currently in existence. Furthermore, we feel that truly effective leadership of the Fort Wayne Emergency Medical Service will not be attained as long as the position of its administrator remains a political appointment.

Ultimately, we feel that our organization should be more directly controlled by the medical community and not by the political community. It is inevitable that the Emergency Medical Service should become more closely linked with our community hospital emergency rooms since emergency medical technicians spend a large percentage of their time in these rooms and working with their personnel. At this time we would like to suggest that you, Mr. Hepler, and the mayor investigate the possibility of forming an Emergency Medical Service Board which would be comprised of at least one physician and one registered nurse from each of the three active hospital emergency rooms.

One of the responsibilities of this board would be to screen applicants for the position of the administrator of the Emergency Medical Service. We think that collectively such a board would be able to evaluate the goals and objectives of a prospective administrator and make positive recommendations for such an appointment.

Sincerely,

Howard M. Balkenbusch Jr.

CITY EMPLOYEE COMPLAINT

RE: INSUBORDINATION

November 5, 1976

Howard M. Balkenbusch, Jr., Emergency Medical Technician, City of Fort Wayne, appeared in the office of the Clerk and stated that he felt he had received unjust punishment which involved a five (5) day suspension without pay for insubordination relating to open statements made to the Press.

Mr. Balkenbusch said that the suspension was conducted by the Chairman of the Board of Safety Albert Hepler; Art Evans, Personnel Department; William Kerr, Board of Safety Member; Mr. Charles Layton, Personnel Director of the City of Fort Wayne; and Donald Cleveland, Director of the EMS.

Mr. Balkenbusch was advised by Russell Cronk, Third Shift-Shift Supervisor, that anyone replying to questions from the Common Council at the meeting of November 8, 1976, would be subject to immediate suspension.

Mr. Balkenbusch was not advised of his right of proper representation before the Board of Public Safety (Chapter 2-71, Municipal Code of the City of Fort Wayne) and claims misrepresentation of facts, duress, and undue influence.

This communication is concerning the disciplinary action taken on insubordination at the Hearing, November 5, 1976 at 2:00 p.m., Room 380, Personnel Department. You will receive five (5) days off without pay. The days will be November 17th, November 29th, December 10th, December 16th and December 23rd.

You will direct a letter of apology to me for posting on the board for all EMT's to see and also, a copy to Mr. Layton, Mr. Evans, Mr. Hepler and Mr. Baeten.

Donald R. Cleveland
Director, EMS

Statement of Christopher M. Nixon:

My discipline stemmed from the fact that I went to the News Media as a spokesman for the EMT Review Board and certain statements appearing in the newspaper were attributed to me. I feel I was unjustly treated which resulted in monetary loss, personal embarrassment and damage to my reputation. The records of this disciplinary action will appear in my work file and would possibly hinder my admission to medical school.

No one approached me prior to the hearing of November 5, 1976, to inform me that I was in fact entitled to legal counsel at the hearing, or to offer such counsel.

I feel that I was not fairly treated as an employee of the City of Fort Wayne and that action by the Council would improve future relations between myself and the EMS and myself and the City of Fort Wayne. I feel a thorough investigation would benefit not only myself but would improve moral among my co-workers in the EMS department.

The facts concerning my case are identical to those concerning the case of Howard M. Balkenbusch, Jr. and I would like to request that my hearing before Council, if granted, be conducted at the same time as Mr. Balkenbusch's hearing.

My shift supervisor and another shift supervisor confirmed the fact that disciplinary action and possible dismissal would result if anyone of the EMT's employed by the City of Fort Wayne spoke out at the Governmental Operations Committee meeting of November 8, 1976.

Statement of City Clerk Charles W. Westerman

I, Charles W. Westerman, Clerk of the City of Fort Wayne, have been requested by Christopher M. Nixon, to review the possibility of official action by Council pursuant to I.C. 1971, 18-1-4-2, regarding unjust disciplinary action for insubordination and loss of five days pay ordered by Mr. Donald R. Cleveland, Director of the Emergency Medical Services. Mr. Nixon stated that he was also instructed to send an apology letter to Mr. Cleveland with copies to Charles Layton, Personnel Director of the City of Fort Wayne, Mr. Art Evans, Asst. Director of Personnel, Mr. Albert Hepler, Director of Public Safety, and Mr. Gary Baeten, President of Local 2569. I.A.M. which letter would be posted on a bulletin board for public observation.

Mr. Nixon was advised by the Clerk to read Chapter 2, Section 71, of the Municipal Code of the City of Fort Wayne, and after reading the section, requested the Clerk to appeal to the Council for proper investigation.

He has asked that the Common Council, if their findings are in his favor, that formal action be taken against Mr. Donald R. Cleveland, etc., and that he is reimbursed for the loss of five days pay.
